“Communication Bleeps and Blunders in Business”

You said one thing; your employee or coworker heard something else. Nobody was wrong, but now everybody’s confused...and *you* have to deal with it!

Laugh and learn as Todd Hunt shares real-life examples from business, revealing how we can improve our communication and become more successful. We’ll also laugh at ourselves, with Todd leading the way—he’s a Recovering Anal Retentive Professional (RARP), who finally learned to lighten up!

His presentations have inspired audiences at the 2012 SHRM national conference, Rockford Area SHRM and SHRM Chattanooga...plus groups from auto dealers and CPAs to nurses and funeral directors (really).

Prior to his speaking business, Todd owned a marketing company and worked for Ogilvy & Mather, the world’s largest advertising agency.

Learning through Laughter

**SC SHRM State Conference
Opening Keynote Speaker
Thursday, September 26, 2013**

Do you eat M&Ms in color order?
Alphabetize your cereal boxes?
Rearrange the dishwasher because
you don’t like the way your
significant other loaded it?
If so, you’ll appreciate Todd’s
take on business and life.
(If not, there’s still hope.)

You’ll howl as he acts out voice
mail greetings, showing how we
waste 240 hours each year waiting
for the beep. His demonstration
of the “correct” way to order fast
food will challenge you to consider
where your listener is coming from.
And his recollection of junior high
English teacher Miss Reiser will
bring back memories of your own
(fond or otherwise).

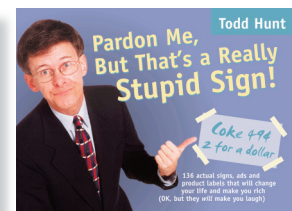

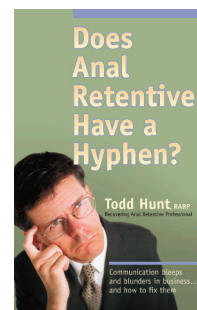

Raves from 2012 SHRM Annual Conference:

“I think you’re just fabulous.”

**“You need to be the headliner
for Jerry Seinfeld.”**

“You oughta be on TV!”
