

BUSINESS HUMORIST, SPEAKER, AUTHOR

# Todd Hunt

*Communication Bleeps and Blunders in Business*

## Who He Is

A recovering anal retentive professional who finally learned to lighten up.

## What He Does

Tells funny stories about sales, customer service, leadership, change and poetry in the workplace (OK, not that last one).

## Why You Care

People have fun, and leave his keynote energized to communicate better with customers and employees to become more successful.

**“Todd Hunt made me laugh, made me smart and made me rich!”**

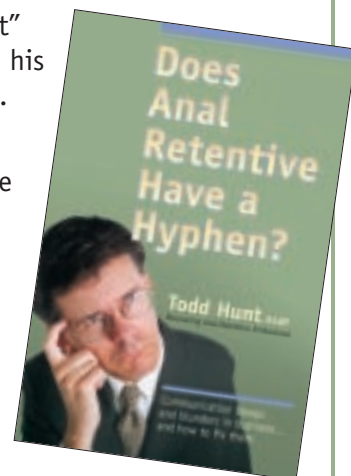

When a speaker does all that—while inspiring you to change how you communicate—he’s a speaker to book now.

Todd Hunt’s stories of how to order chicken and pizza are humor nuggets that illustrate “Where is our listener coming from?”

Murmurs of “I can’t believe that” ripple through the crowd during his discourse on customer disservice.

And people invariably fly back to their offices and change their voice mail greetings, lest they sound like his nutty real-life examples.

Todd Hunt is author of *Does Anal Retentive Have a Hyphen?*, a book of communication bleeps and blunders in business.
